CORRECTION OF ENTITY STATUS AND REQUEST FOR REFUND

Sir:

Applicant respectfully requests correction of entity status in the above-referenced application. An Assignment from the inventors to the University and Community College System of Nevada was recorded on May 29, 2007 at Reel 019351, Frame 0951 for the above application. The undersigned confirms that the University and Community College System of Nevada is entitled to small entity status under 37 CFR § 1.27.

The Issue Fee for this application was erroneously paid on June 30, 2009 in the amount due for a large entity (\$1510). It is believed that the correct amount due was \$755 at the rate of a small entity. Applicant respectfully requests the difference (\$755) be credited to deposit account no. 07-1969.

Respectfully submitted,

/ellenwinner/
